## **ABOUT OPERATION SWEET TOOTH**

Operation Sweet Tooth is a non-profit, 501(c)3 organization (EIN 81-3436661) created in memory for the life of Christina Marie Latini. Christina unexpectedly passed away on May 6, 2016 and she was only 8 years old. To honor her memory, the mission of Operation Sweet Tooth is to keep her spirit alive by providing hope and joy to children who may be sick, less fortunate, homeless, or just need to have their spirits lifted. The goal is to provide toys, gifts and items of need through various fundraising efforts in hope that we can have of positive impact and experience on their lives.
